**Transition to Kindergarten**  
**Parent & Community Education Session for Children with Special Needs**

Come join us to discuss **“Education and Children with Special Needs”**. This is an opportunity for parents to learn more about the local educational programs for children with special needs and the transition planning that occurs. Sometimes the planning and entry process **to the first year of school** can be a very challenging time and we want to ensure that families receive the information needed to make an informed decision about their child’s education. It is also an opportunity to meet other parents who are preparing for this very important transition in their child’s life.

**Date:** November 28, 2017

**Speakers:** Presentations from all 4 school boards. Open forum for parents to ask specific questions in order to make an informed decision.

**Time:** 6:30 p.m. to 8:00 p.m.

**Location:** École Félix Ricard  
641 Lasalle Boulevard  
Sudbury, ON
